This article provides an overview of using Canvas quizzes.

Before You Start

You will need a Canvas site.

Quiz Basics

Quizzes are **formal exams or surveys**, and can be graded or ungraded. To create a quiz...

Recommended Instructions for Students

We recommend providing the following information in all quiz instructions:

Configuring Take-Home Quizzes

You can 1) prepare normal quiz questions; or you can 2) have the students download a document containing the exam and then upload a document containing their answers to the quiz. To use option #2:

Previewing a Quiz

You can *preview* a quiz, to get an idea how it will appear to students, by clicking on the quiz and choosing **Preview**. Please keep in mind that a preview may leave out a few details of the student experience; for more accuracy, try **student view**.

Regrading Quizzes

Occasionally you may need to change an answer after students have taken the quiz.

Revealing Results to Students

Consider the following when deciding what to reveal to students:

Enabling Additional Attempts for Students

Occasionally you may want to give a student another attempt at a quiz. Here's how:
