Step 1: Request a Canvas site for a Wharton course

You will need:

1. The course and section number(s)
2. The PennKey username for any other instructors or TAs who need access (no passwords, please)
3. The type of site you’d like (detailed below)

(To request a non-Wharton site, including Lauder Language, see Canvas at Penn.)

Step 1 is contacting the Courseware team with the site type you want. Once the new site is created, proceed to steps 2 and 3 to review the site and publish it for student use.
