

# Startup Game: How to Access

Last Modified on 05/17/2021 3:35 pm EDT

The Startup Game is used in MGMT 801. This page explains how to access the Startup Game sim if you are a student playing the game.

Need help logging into the Startup Game on your iPhone? [See this article.](#)

## Before You Start

You will need the following:

- The login credentials that were emailed to you for Startup Game.
  - You may need to search your Inbox for "Welcome to Wharton's Startup Game" or check your spam folder.

## Step-by-step guide

1. Go to: <http://games.wharton.upenn.edu/startup>
2. Be sure that you're inputting the username and password correctly.
  - Rather than typing in that information, it's best to copy and paste from the email you received.
  - Make sure to copy all the characters/symbols and NOT copy any extra spaces at the beginning or end of the password.
