Forward Your Wharton Gmail to a Personal Mail Inbox (Students)

The following directions intend to guide you on how to setup forwarding from your Wharton Gmail (and Alumni Forwarding Address) to a personal address.

**Before You Start**

You will need the following before you can complete this task:

- An active Wharton Gmail or Alumni Forwarding Address
- An active personal Email

**Note:** Forwarding your email comes with an increased risk of deferred (delayed) messages and message bounces. For more information, please see our Common Problems Forwarding to Gmail article.
