

# Charging your Devices

Last Modified on 06/12/2023 1:47 pm EDT

If you find yourself on campus without your chargers and low on battery, there are a few options for charging your devices.

## Mobile Charging Stations

Wharton has 4 ChargeIt-Spot Stations that allow you to connect your mobile device to a charger and lock it for safe-keeping:

- **JMHH:** Printer Row, the ground floor Study Lounge, and the second floor hallway by the elevator and public workstations.
- **SH-DH:** Inside the Mack Pavilion foyer on the ground level.
- **Wharton San Francisco:** There is one charging station located outside the Administrative Offices next to GSR 620, and one station located by the windows in the reception area.

## Laptop Charging Options

### Students

#### Philadelphia Campus

The Student Support Office (SHDH-114) has a few of the more common laptop chargers available to students, *for use in the Support Office*, on an as-available basis. This service is available during the **Support Office's business hours**.

#### San Francisco Campus

Wharton San Francisco students can check the IT Helpdesk for common laptop chargers available for students to borrow while on campus.
