Charging your Devices

If you find yourself on campus without your chargers and low on battery, there are a few options for charging your devices.

Mobile Charging Stations

Wharton has 4 ChargeIt-Spot Stations that allow you to connect your mobile device to a charger and lock it for safekeeping:

- **JMHH**: Printer Row, the ground floor Study Lounge, and the second floor hallway by the elevator and public workstations.
- **SH-DH**: Inside the Mack Pavilion foyer on the ground level.

Laptop Charging Options

Students:

The Student Support Office (SHDH-114) has a few of the more common laptop chargers available to students, for use in the Support Office, on an as-available basis. This service is available during the Support Office’s business hours.
