Whartonization Guide: Start Here

Last Modified on 10/16/2026 4:38 pm EDT

Follow the instructions below to set up your laptops and mobile devices to assist you as a student in the Wharton environment. If you have any questions or prefer in-person help, email our Student Support team at support@wharton.upenn.edu.

Accounts (***Action Required***)

You must create your **PennKey** and **Wharton** accounts before you configure any of the services listed below.

After Creating your **PennKey**, it is strongly recommended to enroll in **Self-Service Password Recovery (SSPR)**. If you do not enroll, it will be **very** difficult to reset your password if you ever forget it.

Access to Wharton services are granted **over a period of time** after creating your **PennKey** and **Wharton** accounts. While some services will be available within a couple of business days, **others will not be available until the start of the semester.**

PennKey

MyWharton Calendar Feeds

As of August 2025, a new version of MyWharton is available to students, staff, and faculty. The new MyWharton portal aims to provide an easily manageable and student-focused platform that integrates existing systems like Canvas and Wharton Computing's student knowledge base , as well as direct access to other student resources like Booking Group Study Rooms (GSRs) and accessing your student Events and Calendars feed.
