Accounts (Action Required)

You must create your PennKey and Wharton accounts before you configure any of the services listed below.

After Creating your PennKey, it is strongly recommended to enroll in Self-Service Password Recovery (SSPR). If you do not enroll, it will be very difficult to reset your password if you ever forget it.

Access to Wharton services are granted over a period of time after creating your PennKey and Wharton accounts. While some services will be available within a couple of business days, others will not be available
create your account

The Essentials

AirPennNet (WiFi)

Note: You can only set up your APN connection when on campus.
