Welcome to Wharton!

Accounts (Action Required)

You must create your PennKey, Wharton, and PennO365 accounts before you configure any of the services listed below.

After Creating your PennKey, it is strongly recommended to enroll in Self-Service Password Recovery (SSPR). If you do not enroll, it will be very difficult to reset your password if you ever forget it.
The Essentials

AirPennNet (WiFi)
Note: You can only set up your APN connection when on campus.
Printing at Wharton is easy! For instructions on the various ways to print, please see the instructions below.
