Whartonization Guide: Start Here

Last Modified on 03/05/2026 4:33 pm EST

Follow the instructions below to set up your laptops and mobile devices to assist you as a student in the Wharton environment. If you have any questions or prefer in-person help, email our Student Support team at support@wharton.upenn.edu.

Table of Contents

Accounts (*Action Required*)

You must create your **PennKey** and **Wharton** accounts before you configure any of the services listed below.

After Creating your **PennKey**, it is strongly recommended to enroll in **Self-Service Password Recovery (SSPR)**. If you do not enroll, it will be **very** difficult to reset your password if you ever forget it.

Access to Wharton services are granted **over a period of time** after

creating your **PennKey** and **Wharton** accounts. While some services will be available within a couple of business days, **others will not be available until the start of the semester.**
