

Office 365 University

Last Modified on 08/09/2021 11:19 am EDT

Penn offers Microsoft Office 365 University to all current full-time members of Wharton. This includes access to: Word Online, Excel Online, Powerpoint Online, OneDrive, OneNote, Mail (Faculty & Staff only), and more! You can also download and install the University version of Microsoft Office applications on up to five devices while you have an active PennKey account.

Students: See [Back Up PennO365 \(OneDrive\) Data](#) as well as [Graduating Students: Account Closing Dates](#)

Before You Start

You will need to:

- Be an active Wharton student, faculty, or staff member
- Have a PennKey username & password

Acceptable Use Policy

You are responsible for using PennO365 services in accordance with Penn's [Acceptable Use Policy](#). Also see the University guidelines about protecting personal and University data at [Protecting Penn Data](#). These guidelines will help you protect your personal information and understand how to identify and handle sensitive University information.

Benefits of PennO365

1TB of OneDrive Storage	Usable on up to 5 devices at a time	Automatic Updates
Save directly to the cloud from your laptop	Multi-user editing	Access your files from any device

Setting or Resetting Your PennO365 Password

PennO365 credentials are automatically created for every full-time Penn student, faculty, and staff. The username for the account is pennkey@upenn.edu. Your PennKey and PennO365 passwords are automatically synced. Follow these steps to either reset a forgotten PennKey password.

PennO365 Email Accounts (*Faculty & Staff Only*)

Along with the applications included with a PennO365 account, faculty & staff are also provisioned a mail account.

After setting your credentials using the steps above, you can access your inbox at outlook.office.com.

Downloading & Installing Office365

Your PennO365 account includes access to a variety of downloadable applications including: Word Online, Excel Online, Powerpoint Online, OneDrive, OneNote, and more! Office365 can be installed upon 5 devices simultaneously.

Managing Office365 Installs

Wharton members can view how many copies of Office 365 are active in their account. You will be able to remove copies of Office here if you exceed the 5 devices limit.

Back up PennO365 (OneDrive) Data

Below you will find instructions on how to back up your PennO365 account data, specifically anything stored in OneDrive or OneNote. If you are a student, instructions on how to back up your Google@Wharton data can be found in our [Back Up Wharton Account Data using Google Takeout \(Students\)](#) article.

Sharing a document in OneDrive does **NOT** grant ownership of the file. When the owner's PennO365 account expires, the document will no longer be available to the shared users unless the owner has been changed .
