Microsoft 365 University

Last Modified on 08/22/2025 4:07 pm EDT

Penn offers Microsoft 365 to all current full-time members of Wharton. This includes access to: Word Online, Excel Online, Powerpoint Online, OneDrive, Mail (Faculty & Staff only), and more! Log into your Microsoft 365 account on the web using your PennKey credentials to see all the available apps.

You can also download and install the M365 version of Microsoft Office applications on up to five devices while you have an active PennKey account.

Before You Start

You will need to:

- Be an active Wharton student, faculty, or staff member
- Have a PennKey username & password

Acceptable Use Policy

You are responsible for using PennO365 services in accordance with Penn's Acceptable Use Policy. Also see the University guidelines about protecting personal and University data at Protecting Penn Data. These guidelines will help you protect your personal information and understand how to identify and handle sensitive University information.

Signing Into Your PennO365 Account

Microsoft365 credentials are often referred to as your PennO365 account. These credentials are automatically created for every full-time Penn student, faculty, and staff. The username for the account is *pennkey@upenn.edu*. Upon creation of the account, your PennO365 password is automatically synced with your PennKey, so use the same password when signing into your M365 apps or the online versions at portal.office.com. Back up PennO365 ProPlus (OneDrive) Data

?Top

Below you will find instructions on how to back up your PennO365 ProPlus account data, specifically anything stored in OneDrive or OneNote. If you are a student, see our Back Up Wharton Account Data using Google Takeout (Students) article for instructions on backing up your Google@Wharton data.

Sharing a document in OneDrive does **NOT** grant ownership of the file. When the owner's PennO365 account expires, the document will no longer be available to the shared users unless the owner has been changed.

Tips and Troubleshooting for Penn's O365 ProPlus

PennKey Not Found

Your PennKey: was not found in the directory. Your school or center may not be participating in PennO365 E-mail and Calendaring.

If you self-provisioned your account, to use Office ProPlus, you can reset your password here:

Microsoft Online Password Reset

If you believe your school or center is participating in PennO365 E-mail and Calendaring, and you have received this message in error, then please contact:

help@isc.upenn.edu

If you are receiving the above error message when attempting to reset your password, please contact your IT support representative. This error can occur if you transferred from another school at Penn to Wharton – this can affect students, faculty, and staff.

Trouble Logging Into PennO365 ProPlus

If you are having problems logging into PennO365 ProPlus, confirm you have enrolled in Penn's two-factor authentication at: https://www.isc.upenn.edu/two-step-quick-start

Microsoft Access in O365 ProPlus

Microsoft Access is not currently offered in Penn's O365 software options. Wharton students who want to use Access can log into the Virtual Lab, where it is available.
