Cloud Storage Options (Students & Staff)

Cloud storage solutions for Wharton students and staff are plentiful and can be confusing. The chart below outlines the differences between each of the services we offer and should help you decide which option is right for you.

For more information on the differences between cloud storage & other storage media, see Backing Up: What are the Best Solutions for You?

Before You Start

You will need to be one of the following in order to have access to these services:

- Full-time Wharton Student
- Wharton Staff

1. Penn+Box is not tied to your Wharton account by default. **Add your Wharton address** so that people can use it to share to you.

2. **Log in with your PennKey** username and your Wharton Gmail password.

3. To log in to the app, **select the Company Credentials option**, enter your pennkey@upenn.edu, and log in with your PennKey credentials.
**Penn+Box: Add Your Wharton Address**

The Penn+Box service is not tied to your Wharton account by default. We recommend adding your Wharton address so that people can use it to share documents with you more easily:

1. **Navigate to the box login page** and enter your PennKey credentials.
2. **Click the Circle icon** with your name in the upper right corner of the screen.
3. **Choose Account Settings** and scroll down to the Login and Email Addresses section.
4. **Click Add Email**, and enter your Wharton address.
5. **Log in to your Wharton email account** and follow the steps in the Verification email. (There may be a delay; please wait a few minutes. If the email doesn’t come, you can click the Resend Confirmation email link in Penn+Box.)
