

# Graduating Students: Account Closing Dates

Last Modified on 10/07/2025 11:16 am EDT

## Before You Start:

This article is for all Wharton students - Undergraduate, MBA, and PhD.

Access to Wharton and Penn Online Services ends at various times after you graduate. Access to most services will end within a month of graduation. A few services remain accessible for longer. Use this table to figure out when your access to each service or resource will end. See our [Graduation Technology To-Do list](#) for advice on how to transition your data.
