# All about Canvas groups (for instructors)

Last Modified on 09/10/2021 5:08 pm EDT

This article describes how to create, manage, and use Canvas groups.

## Before You Start

You will need a Canvas site for your course.

## Creating groups

Canvas allows you to create **groups** for students to work on projects, term papers, or any other assignment in which students work collaboratively. To create a group:

## Linking groups to assignments

You can **link a group set** to an assignment, so that all the students in the group will receive the same grade. It's important to remember that...

## Joining groups

## Managing groups

Groups have their own "sub-sites" that contain Files, Discussions, Announcements and a few other Canvas features.
