Two-Step: New Device/Phone (Students)

This article provides guidance for students with new devices needing to reconfigure Two-Step for PennKey and Google accounts.

**Faculty, Staff, and PhD Students**

Use [this page](#) for self-service directions, or contact your [IT Support Representative](#) for the best option to enroll your new device.

**Lost Device**

If you no longer have access to your original two-step device (i.e., lost, stolen, or broken), then please follow the instructions in our [Two-Step: Account Recovery article](#).

**Before You Start**

You may need the DUO Mobile app installed before you follow the instructions below.

Two-Step Verification is an increasingly important aspect of account security. However, sometimes, it might not be clear what to do if you have a new phone and need to update your Two-Step settings.
