

# Using Licensed Adobe Products at Wharton

Last Modified on 05/10/2023 10:41 am EDT

All Adobe professional applications (including those on all Wharton public computers) require that you sign-in with an Adobe ID. This affects:

- Adobe Acrobat Pro
- Adobe Creative Cloud (i.e. Photoshop, Premiere, etc.)

Adobe Acrobat Reader DC does not require an Adobe ID.

## What account do I use?
