

# Viewing Feedback in a FeedbackFruits Peer Evaluation

Last Modified on 12/21/2023 4:35 pm EST

## Before You Start

- You must be enrolled as a student in a Canvas course site containing a FeedbackFruits peer evaluation assigned to your course section or **group**.
- Your instructor must have released feedback for students to view.
- Please use a device that meets **Canvas's basic computer specifications**, especially one of **Canvas's supported web browser versions**.

## Viewing feedback

When viewing feedback from your peers in FeedbackFruits, please note that the criteria components differ among assignments. For example, your instructor could require feedback in the form of just comments, a scale rating with a certain point range, a rubric, or a combination of all three. The example below depicts both comment and scale criteria.

1. Go to Section 3, "Read and reflect on received feedback," and click **on the received feedback**:

The screenshot shows a section titled "3 Read and reflect on received feedback". Below the title is a sub-section "Received feedback". A red box highlights a feedback card for "Desdemona Test221". The card includes a profile picture, the name "Desdemona Test221", "Feedback from 3 reviewers", and "2 new comments" with a blue comment icon and three grey comment icons.

2. To see all comments from your team members click **READ** under each criteria. You can also see the average ratings you received for any criteria with scales.

**Feedback**

**Reviewed by**

-  Practical Chartreuse Strawberry (Desdemona Test221) [FILTER](#)
-  Amiable Brown Grapes [FILTER](#)
-  Practical Fuchsia Melon [FILTER](#)

Step 1: Follow the Bright Spots – When is Your Teammate at his/her Best When Working in Teams?. This feedback will be sent, anonymously, to your teammate.

3 comments [READ](#)

Step 2: Employing Influence Tactics – How Can You Help Your Teammate Bring Out their Best Self More Often in Teams? This feedback will be sent, anonymously, to your teammate.
