

# Wharton Applications Scheduled Maintenance - 12/9/22

Last Modified on 12/07/2022 4:13 pm EST

On **December 9th 6am-8am**, many of the applications that are used by the Wharton community will be upgraded. During this window these applications may be unresponsive or you may be unable to log in. If you encounter any difficulties during this window wait a few minutes and try again.

Some of the affected applications include:

- Attendance
- Authentication to many Penn Websites
- Checklists
- Event Checkin
- Expressions of Gratitude
- HPC Account Applications
- IAM Applications
- Instruction Center
- Life@Wharton
- Mailing List
- Reports
- Room Request
- Spaces/GSR Reservations
- Syllabi
- Waivers
- Whooppee

All the impacted Wharton applications should be back to normal functionality by 8am. If you encounter any issues after the maintenance window has ended please reach out to your [Wharton Computing representative](#).
